I Get Off Teasing Shy Boys!

Talía

When I got hired to do this photo shoot, the photographer told me to buy myself a cute top, something that would make me feel extra sexy when I first got in front of the camera. When I was looking through the racks at the department store, I noticed a shy guy looking at me. It sounded like he was waiting for his mother and sister while they bought some clothes. So I decided he was a mama's boy, even though he was about my age, eighteen. I could tell he wanted to talk to me but was afraid. He kept looking away, trying to act like he wasn't staring.

When I found this striped top, I went over to him and said, "Do you like this?"

"Uh, yeah!" he said. "It's pretty."

"You know what I'm buying it for?"

"Uh, going to a party?"

"No, I'm going to pose for naked pictures! I'm good at it! I'm going to wear this top with my cut-offs and white panties and then I'm going to get naked and play with my pussy while the nasty old photographer takes pictures! What do you think of that?"

He blushed a deep red and then he grabbed his crotch. "I—uh—oh, excuse me!" he said, running off to the men's room. Talk about shy! I wondered what he was going to do in the bathroom—as if I couldn't imagine. Just then his mommy and sister came up and asked if I saw a boy of his description. "He went thataway!" I said, giggling as I went to the cashier with my purchase.

Wreck My Rectum

Vanessa & John

31139

I love the bad boys, I just can't help myself! Like John from the other night. What a savage! Nothing sweet about him, he's hairy all over, with a stubble and a scratchy voice like he's been kicking back tequila shooters since who knows when—because he's not that much older than I am! Playing with my pussy like it was a video game and licking my hole like he was trying to get the last pit of pudding out of a bowl! A human dog! But can you see the smile on my face? I totally loved it!

His cock in my pussy was good, but I'm beyond that. I've graduated from the vagina, I need it in the back-hole! Wreck me there, Romeo! John didn't miss a beat. Slammed himself into my butt and picked up a rhythm that was dirty and fierce! Soon I closed my eyes and just felt that slick shaft moving back and forth in my rear. I swear my whole body was trembling!

I took everything he could give, and when he popped his cock out of my tushy to give me a rest, the air felt soothing on my hole but I missed his meat like only a minute later. So I took him in my pussy again before he went back in my ass. And then I did something that freaked him out—made myself a cum cocktail! Poured in a glass! "Boy you are DURRRRTY!" John said, but I could only laugh as I drank his goo down deep!

Hell, I never claimed to be girlfriend material!

Girls Just Wanna Have Cunny!

Sonia & Natalie

Sonia had been after her friend Natalie for some time. The girls had flirted around campus but Natalie had kept her distance, not sure if she wanted to get involved with another girl right now. She was wondering if she wanted to go back to cock for awhile. Life was good when you had options.

But Sonia won her over. It was a combination of Sonia's good looks and actually the sweet way she smelled that convinced Natalie to give in. It's funny, the chemistry between two people, the things that can ultimately draw them together. An aroma can turn the trick. Natalie did not regret it.

Once they were in bed together, she loved how Sonia took charge, undressing her, playing with her pussy, licking and fingering until Natalie felt like melted butter under her hands. Natalie was usually a passive kind of lover, preferring things to be done to her, but she found herself drawn into action by the fragrant aromas of Sonia's body, an aura of light fruit scents, like strawberries; and soon she was almost as active as her seducer was, licking and kissing and fondling and slipping her fingers inside.

When Sonia brought out the dildo, Natalie allowed herself to be passive again for a little while and just enjoy. But after the lovely orgasms Sonia brought her to, Natalie couldn't wait to reciprocate! And it was delicious to feel her new girlfriend shaking and cumming on her own licking tongue!

Double-Penetrated By Two Thick Studs!

Naomi, Chuck & Bob

I recently moved into my own apartment. I know that seems like a big step for someone as young as I am—only eighteen and a half—but like a lot of younger people today, I am brighter beyond my years and full of financial savvy. I've made a lot of money with my own online cookie business, and so I was able to buy my first condo.

Chuck and Bob, the movers, were such sexy guys, so rough and tumble, that I couldn't help myself. I got their phone numbers and after I was settled in my place, I gave them a call and invited them for dinner. Well, maybe I should say I invited them for sex, and dinner afterward if we felt like it. We never did get around to eating!!

Because cock has a funny effect on me, especially when I take a double dose. I feel like I'm full, not hungry. Sucking those beautiful dicks and feeling Chuck and Bob's hands all over me was so fulfilling, I forgot all about eating.

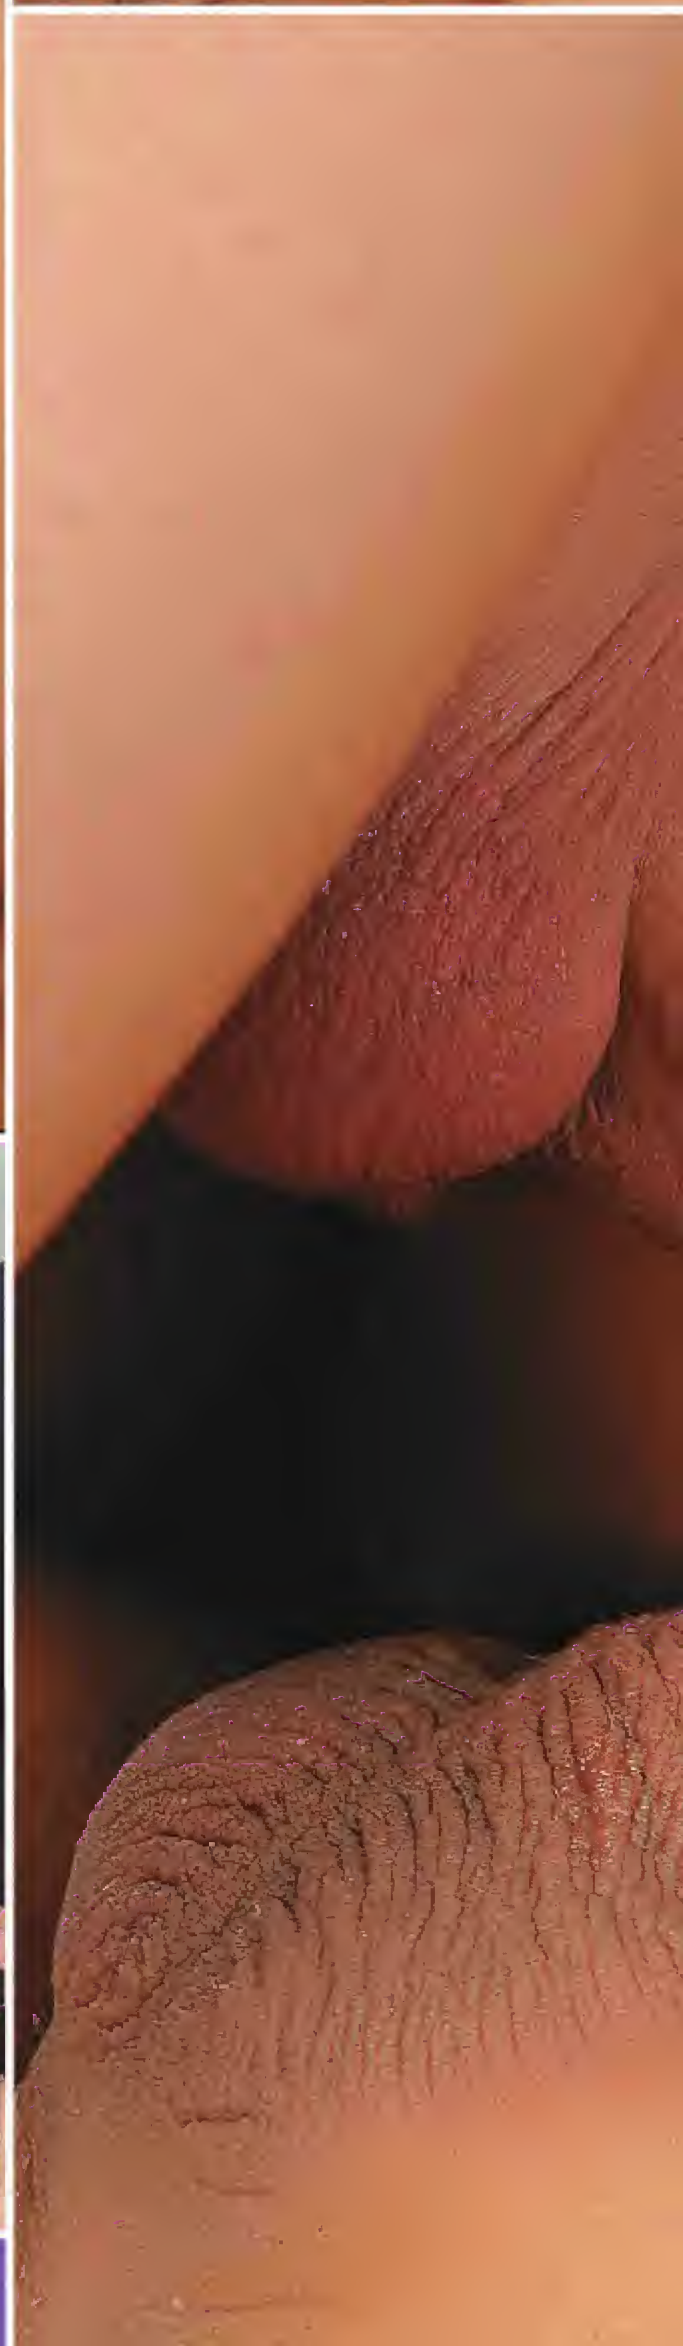

Cock in my mouth, sliding across my tongue...cock in my pussy, making me tingle and sweat...cock in my ass, stretching me so wide, I could almost hear it...and cock in my ass and pussy at the same time, the ultimate challenge accepted and done! What a way to celebrate my new apartment and the first year of a successful cookie business. Maybe I'll even name a cookie in their honor, the Chuck & Bob Crunch!

He Made Me His Goddess Of Sex

By Kayla F.

This town I live in, it's so narrow-minded. If anybody knew I was having sex with Mr. B, sucking his cock and fucking him, well, he would be in trouble. The people would say he had corrupted me, this nasty Mr. B, who runs the general store. They would say he should stick to women his own age—not that he's SO old, or anything. He's thirty-six. Only twice as old as me.

But you see, I'm bigger than this town, I want to leave it, and Mr. B wants me to follow my dreams. He was a dreamer once too 'til he got bogged down helping his old father with the store. And so he stayed here. But we became friends, even though I have a boyfriend from high school who would shit a brick if he knew I was ever with Mr. B.

But when Mr. B isn't feeding me his beautiful penis, teaching me how to suck his balls the best way, and to lick the shaft like his "goddess of sex" (I like when he calls me that), he's feeding me good books and teaching me about movies with his DVD player in his room above the store. His father died a few years ago and now he runs the place by himself. I've learned about jazz music and art from Mr. B. He knows a lot, he might live in this small town but he's got the knowledge of the world in his head.

He says I can be a goddess of more than just sex if I simply spread my wings and let myself fly. And it was he who decided to end our relationship before it could cause trouble and clip my wings.

Our last time together, I was on my knees in his room above the store, just a simple room with a bed, a place where he can read and think and relax and watch movies. His cock was so beautiful and stiff in my hand, and I was kissing it all over, letting it slide down along my tongue and then out again, and I licked the tip like Mr. B taught me. I watched the drop of pre-goo come out on top, and I licked it off. I love the taste. I scrunched down so I could stroke his meat while licking his balls, just like he taught me, and then I even licked at his asshole too, which I thought was such a dirty idea once but

which Mr. B taught me was beautiful. Because he certainly did it to me too.

I had decided to take a bus the next morning to the city, to start my new life. I hadn't told anybody, not even my boyfriend. I would write them soon enough, just so they wouldn't think I'd disappeared.

"I'm going to miss this wonderful bosom," Mr. B said, licking at my titties. They're not very big—my boyfriend used to complain and joke that I should get a boob job—but they were always big enough for Mr. B. He had a way of making my nipples feel so good with his mouth, while he played with my clit at the same time in a rhythm that got them hot all together at once. I couldn't believe such a skilled man like Mr. B was stuck in a town like this, but I knew I should be grateful. He was giving me my wings.

"I need you now, Mr. B," I said, looking into his eyes. He smiled at the way I called him mister, but that was our private rule: to always call him mister, to remind me that there was a bridge between us that even sex could not help us cross. I was young, he was older, and I was going to leave and find a better life.

He moved on top of me. Oh, I could feel him push his way inside, the shiny wonderful tip! I wanted to feel every inch of him and feel every drop of him. I wrapped my legs around his waist and pulled him in tight. When he was fucking me, he looked wise

and strong like the best man in the world.

"I can't stand to leave, Mr. B!" I gasped, as his shaft moved back and forth faster in my pussy. "Tell me to stay forever!"

"Shush, and just listen to our fucking. It's like music."

Listen to our fucking! That was why I loved him. The wild things he said. I closed my eyes and he kissed me deep. The bed shook underneath us. I felt his back, sweaty and strong, under my fingers. My cunny was so tight around him and my clit felt like hot and shiny. He was hitting it just right. I couldn't hold back anymore, and when I looked up, neither could he.

"I want to drink it, one last time!" I opened my mouth and pointed. "Up here, up here!"

He looked at me, shaking, like he wanted to cum in my pussy once last time; but he wanted to please me too, he was always wanting to please me, and so he pulled out and leaned over and started spurting all over my face and tits.

"Oh! I can't believe this is the end, but that's the way it must be!"

I looked at myself in the mirror near the bed. What a wonderful gooey mess he made of me. When he was done, I took his beautiful thing in my mouth again and held it there, looking up with my eyes of love. I would never forget kind and horny Mr. B. Soon I would be on the bus and going far away, but I would think of him always.

Always.

After all, he gave me my wings!

Welcome To My Alice In Wonderland Fantasy!

Catie Minx

31645

I never read *Alice in Wonderland*, but I looked it up online once and learned that Alice met some living playing cards in the story. Cards with heads and arms and legs. If I ever saw giant playing cards with limbs, I would freak! What kind of drugs did that guy take, the guy who wrote the book? Maybe he didn't take any drugs but just was totally weird.

I like playing cards that act like normal playing cards. You know, we could play a game of strip poker with these, and if I lose I'll have to take off my cute Alice in Wonderland costume. I bet you'd like that! Are you a guy who likes the idea of a girl losing at strip poker? I like guys with naughty minds like that...yes, I'd WANT to lose if you were the kind of guy I like. You don't have to look like a movie star or anything, but just be yourself and treat me nice! I'd be more than ready to lose strip poker so you could see me naked on my blanket and I could show you more wonders than that Alice ever found in her wonderland! I'd take you to Catie's Kinky Wonderland! And the doorway is right here between my legs!

JENNA PRESLEY

IVY RYDER

KATIE SUMMERS

LYNN LOVE

TORI LUX

STARRING: Jenna Presley, Ivy Ryder, Katie Summers, Lynn Love and Tori Lux
with Mike Adriano **DIRECTOR:** Laszlo H. **STUDIO:** Digital Sin

28875

To say there's a special interest on the ass here would be an understatement and no doubt that's something we can all get behind. Mike Adriano, the lucky bastard that gets to bang all these hot babes, has an ass obsession and even if he doesn't get to enter the backdoor—don't worry, there's plenty of anal ahead—he still gives plenty of love to the rump.

There is much to love here. Sweet, young bodies eager for his pounding, from the crazy sexual stylings in the

opener with Jenna Presley to the closer with tattooed darling Tori Lux, this is hours of hole-cramming fun. In the juicy center we get to see Ivy Ryder, Katie Summers, and Lynn Love, also known as a redhead, a brunette, and a chick with an enormous pussy, each girl pushed to her sexual edge and returning just in time to get covered in jizz.

Pound the Round is one of the hottest series in adult entertainment and you'll see why before a cock even starts pounding some round. With this lineup, it's can't-miss filth.

JENNA PRESLEY

Jenna has fixed herself up a bit, enhancing her breasts, a few tattoos, but there's no distraction from the amazingly hot sex she provides. He shoves his face in her ample ass, threatening to get lost as he licks her hole, and she loves showing off the big backside. He works his way around to the front and Jenna gets in some valuable cock time, slobbering all over his tool, jerking him off corkscrew-style before she does everything she can to deep-throat him; she can't.

Well, he doesn't hold that against her, or if he does he takes it out on her by shoving his dick deep into her pussy and all the way it goes, and Jenna's pumped-up lips purse as the curses eek out and, omigod, her pussy hasn't felt so stuffed in so long! He greases her ass as she begs him to "Fuck me up! Fuck up my little pussy!" and gives herself a dirty pat on the backside.

She takes the initiative to get on top and she rides and grinds that big behind, cums again and again, and then Mike gets back on top, Jenna pulls her legs back as far as they'll go, and he pounds the round, the pink slit of hers growing into something of a reddened cave, turning her on her side and drilling until pulling out to grunt his load onto her ass and she purrs through getting splattered with, as she says, "a hot, big fucking load on it."

IVY RYDER

The camera follows Ivy on a long walk around the pool or the beach or who knows, she's got a beach ball but it's hard to look at anything but that ass as it struts around. The other side not too shabby, either, all-natural tits fine and a bubbly attitude.

Mike is certainly hard looking at her and she takes his compliment, shoves it into her smiling mouth and moves it down to her honey mound, first tugging at her lips to show their elasticity and then showing how well they can stretch around a huge cock. The wails of the redhead can certainly be heard for miles around and as he does her doggie-style, her head is flying up and down.

Her smile becomes a sneer and after the first round of pounding she gives him a grateful, two-hand blowjob before getting on top, a wild ride, with her glazed ass bouncing as she makes a crazy racket, though once he takes over again she is suddenly almost quiet. On her side, she watches him in awe as her pussy finds its limits and he does all but turn that hole inside-out.

He turns her around for one final look at her ass as he fucks her from behind, begging him to please, please cum on her ass. He slows down for a half-minute of deep strokes, then grants her final wish, dumping a mad load of white love on her ass.

KATIE SUMMERS

This brunette is poolside, too, but diving in isn't on her agenda, unless it's a matter of diving into each of her three holes, each of which is open for business—wide open.

Naturally, the mouth comes first, and she is both dirty and loving, bobbing her head on the mushroom shroud of his cock, big eyes looking up cutely, Mike twisting little strands of her hair as her head nods and nods, whatever the question the answer is yes.

Sitting on the edge of the couch, he gets going slowly on her pussy, opening her divide, which has been relieved of any trace of hair. He works her up, the wetness of her pussy increasing so that she's able to take it a little harder, a little harder, then even a little harder, and soon she is on top and grinding down on him, her pussy sweat dripping down his shaft as her juicy ass bounces, his hands reaching around, showing that her asshole is wet from her overflowing snatch and what better time than now to go for the triple.

She grabs his cock herself and guides it into her ass, the camera offering complete hindsight. Now it's her hands that reach back, spread her ass wide and she goes on and on about how—oh, who knows what the hell she's talking about it, she can't put more than two words together in her ecstasy. From the look and sound of things, this girl has never had her ass reamed in a way such as this. This ass party isn't over by a long shot and speaking of shot, that's a long one, too, sending a line of white little islands down her leg.

LYNN LOVE

Sexy Lynn doesn't bother taking off her panties before oiling up her ass and Mike is always there to help, squeezing on another batch as she shakes her bouncy ass cheeks. She turns around and displays a super-puffy cooch, which gets oiled as well and her fingers are furiously toying with her pussy lips.

The hole isn't too big to hit and he gets started bending her over the end of the bed and getting in is no problem, that gash opens wide and seems she can still feel plenty, too, as she gets off quick and easy. Riding on top, Lynn finds the angle that works for her and, turns out, she only needs about half his cock to get herself off. Her ass jiggles and her voice goes up a couple octaves as she cums.

She rides on forever, him hanging on to her waist as she backs into him again and again until he decides it's going to a deep finish, her with her legs pulled almost behind her head and him deep into her snatch. "I want you to cum all over that big ass," she tells him, so he bends her over, bends it deep into her hole then pulls out to gush all over her cheeks.

TORI LUX

Now comes the girl with the most ink, a dark-haired beauty with the look and purr of a kitty, but in a package of big ass and little titties. He licks her down, with special attention given to her ass, especially the hole, and it looks relaxed and ready as she asks him if he wants to fuck it. He gives it the finger test and it seems like she might be ready. They don't even pretend to be interested in the pussy.

The ass is tight, Tori bent over at a 90-degree angle, and he enters slowly. She opens enough to let him stroke it in, and both enjoy the tight squeeze of it. He packs it in and her coos give way to heavier breathing, then moans of anal satisfaction. Then he stops, pulls out, but her ass stays open, there's gape and lots of it. It brings a smile to her face and then he goes back in, screwing her ass even more until it looks like she couldn't close it if she wanted to.

Lucky number 7 in the series ends with an all-anal romp, Tori pulling him closer to her as he rams her ass hard and gets out just in time for him to cum on one of the big tattoos on her ass. "I've got cum all over my ass," she says, as though surprised. Oh, come on, it's not your first time!

Posing Ass-Fucked For Her Sugar Daddy!

Amabella & Guy

Zee. He pays my college tuition, he pays for my apartment, he gives me credit cards for expenses; but the only time he gets to see me naked is when I send him a copy of the magazines I pose for. He loves that I'm a model. I know he beats his meat over it. That's his kink.

I think Mr. Zee is going to love this pictorial I did with Guy, just like you readers will. Enjoy it, Zee baby! Look at the way Guy is touching my body, tugging down my panties, spreading my pussy lips. Don't you wish you could do that? But you prefer to watch! Well, I'm going to give you lots more to see.

I told you how good I am with my toes and soles. I can give a mean footjob! Doesn't Guy's cock look so nasty-hard between my feet? I do that to men, have that effect. But nothing like the effect when I stick their pricks in my mouth and suck...and then transfer them into my ass! Look, Zee sweetie, I'm getting so many of Guy's inches in my butt! Ohmigosh it's good!!

But I know what you like to see most, don't I, Mr. Zee? After all that ass stuff, the stud-load on my face! And look how pretty I am with all this dirty cream, Zee honey! Thanks for paying for the towels I'll use to wipe it up!!

Lesbian Sex Addiction!

Candy & Lana

You see Candy, who's licking my tit-ties? She's like my total sex fiend, guys! It's amazing what girls our age will do, isn't it? When I see old movies on cable, when I visit my family—I'm away at college most of the year now—I know the world used to be much different. Girls in college even held onto their virginity. Eating other girls' pussies?—unheard of! (Though I read on Yahoo that virginity is coming back. Sounds like something kinky going on with that.)

Candy is only a few months younger than me—I'm eighteen closer to nineteen, and she's just a few weeks over eighteen—but she is ready to settle down—like forever! That's not for li'l old blonde Lana, me! But while I can, I'll use her up like a box of chocolate chip cookies, getting right down to the bottom and finishing every last crumb. I mean, look at everything she does for me! Fucks my pussy with a toy while she fucks her own with another toy. Eats my cunny and licks my boobs non-stop, and every move of her mouth is sheer love hunger that really makes it good! It's great having somebody totally in my web, watching her crazy for every inch of me.

When she pleases me so well, I help her get off too. And I kind of get into servicing her with a toy, just like she services me. But I don't wanna lose the upper hand. I only please her because it pleases me, and that's the truth—I swear!

Blonde Princess' Daring DP!

Lola, Sebastian & Dupree

I live to please my man Sebastian. He's the guy in the black tee-shirt. And when he brought over his friend Dupree one afternoon, and said that Dupree needed to get his pipes cleaned, well, I was more than ready to do what it took. My mouth went into action on Dupree right away, and a few moments later Sebastian joined in. I couldn't wait to pull aside the crotch of my cut-offs so Dupree could put his tongue and fingers into my cunny, and cram me hard in my ass while Sebastian took care of my kitty.

I loved the feeling of so much cock, thick shafts of veiny meat, just stuffing me to bursting, invading me in every hole. Dick in my mouth, in my pussy, in my butt, it all became such a blur so I closed my eyes and felt my titties squeezed and my crotch double-teamed and all the jism shooting out when the guys couldn't take it anymore. When I couldn't take it anymore, either, and I'd made so much noise, the neighbors started banging on the ceiling with their brooms...

After I was done, I showered off the sperm and made my boys some sandwiches. You don't think I'm only good for sex, do ya?

Going, Gape!

Aspen & Roger

Just because I'm cute, young, and in my first year in college, doesn't mean I'm stupid. Just because I like to pick up guys and bring them back to my room and fuck their dicks, doesn't mean I'm not aware of what's going on in the world. And care. And want to make a difference.

This planet needs to be green—ecologically sound. And although I like big cocks and lots of attitude, there are a couple of things I won't tolerate in guys no matter how big their dicks are. They can't abuse our environment or use damaging products. I won't tolerate tobacco and they better not drink out of those plastic water bottles that are overflowing our landfills.

And when I fuck, I fuck on my green bedspread.

And so, when I fucked Roger the other night, sure, I went balls-out wild. That's my style. And when I was ready, I took him in my ass. I pulled that cum out of him. But do you think I let it go to waste? No sir. I squirted it out on a tray and we brought it down to the science building where they're doing experiments on semen recycling. One of our professors won a Nobel Prize, and now he thinks he can turn sperm into paper. Think of the forests we'll save, people.

A girl can be wild, but she can still care about the planet!
